

# External Four Seasons Radio Commander

## Check-List

- Log in with RACES & ARES if they have been activated.
- If Four Seasons is without power, phone, etc. and FSCERT command does not know the nature of the incident, determine and type and scope of the incident and report that to Incident Commander.
- Upon receipt of Windshield pass, convey that information to ARES/RACES and seek support for Four Seasons from professional first responders.
- After each pass (Door Knock, Interventional), and receipt of updated Size-Up summaries convey the information to ARES/RACES and provide their response to command staff.

Forms: CERT #6, #8
