

Southern California Electric

When the power goes out

You should have this web address to check status stored in your smartphone.

Medical Equipment

If you have medical equipment such as a CPAP, Oxygen concentrator, or respirator that is electric power dependent, apply for Medical Baseline Reduction in electric bill

<https://www.sce.com/residential/assistance/medical-baseline>

Additionally, you can apply for a UPS (uninterruptable power supply)/backup battery to power your medical device. It's free. It works.
